

# PLAY ILLINOIS

Proud Representative of **Burke**

**ROOTED IN COMMUNITY, BUILT FOR PLAY.**

# WHO WE ARE

Play Illinois is the Illinois-based representative for BCI Burke® commercial playgrounds — your local partner in creating playspaces that inspire.

We're known for designs that reflect how a community plays, and often for the stories that make a project uniquely yours. With deep expertise in delivering maximum play value within budget, we bring the kind of personalized support you'd expect from a neighbor — one who's genuinely invested in getting it right.

We work with park districts, school districts, municipalities, and early education centers across Illinois. Whether you're replacing aging equipment or building something brand new, we're with you from the first conversation to ribbon cutting day.

# OUR PARTNERSHIP PROCESS

## 1. Start With a Conversation:

We offer a no-cost site visit to hear about your community, your space, and what you're hoping to create. No pressure, just a real conversation.

**2. Design:** Custom layouts and photorealistic 3D renderings help your community see the vision — we'll revise your design until it's right.

## 3. Budget & Funding Strategy:

We help identify grant opportunities, assist with grant writing, and prepare the supporting materials your application needs to be competitive.

**4. Community Outreach:** We are there for public input meetings, board presentations, and stakeholder engagement — helping bring your community along every step of the way.

## 5. Turnkey Project Management:

From installation and safety surfacing to certified inspections and post-completion documentation, we manage every detail from start to finish.

# WHAT WE OFFER

- Playground Equipment:** Burke commercial play structures are designed for all ages, abilities, community types and budgets — ranging from preschool and school-age equipment to inclusive play environments and adventure playgrounds.
- Safety Surfacing:** Poured-in-place rubber, engineered wood fiber, bonded rubber and artificial turf installed to meet safety standards and look great for years.
- Shade Structures:** Custom shade solutions that extend play time, protect kids from the elements and add a finished look to any playspace.
- Site Amenities:** Benches, picnic tables, bike racks, trash receptacles and site furnishings that complete your space and serve the whole community.
- Outdoor Fitness:** Fitness equipment for adults and older youth that encourages active lifestyles alongside playground areas.
- Shelters & Pavilions:** Through our partnership with RCP Shelters — a third-generation, family-owned manufacturer — we offer a full range of pre-engineered wood, steel, and fabric structures built to complement any community space.

# WHY WORK WITH US

- **Service That Sets Us Apart:** At Play Illinois, we build lasting relationships that continue long after installation. Our commitment to service ensures your project is not only successful, but exceeds expectations.
- **Experienced & Dedicated Team:** Our knowledgeable staff works closely with you to bring your vision to life — on time and within budget.
- **Quality You Can Trust:** We represent leading manufacturers known for safe, high-quality products.
- **Inclusive Design:** We help you create design concepts tailored to your space, needs and goals. With a certified ADA coordinator on staff, we ensure every design meets compliance requirements and genuinely welcomes every child.
- **Seamless Process:** One point of contact from design through installation. We coordinate contractors, timelines, and every detail so nothing falls through the cracks.
- **Continued Support:** A certified playground safety inspector (CPSI) will provide a detailed condition report covering any component that doesn't meet standards or shows potential to fail — plus a repair or replacement proposal for any safety risks, if needed.

# WHAT OUR CLIENTS SAY

“I wouldn’t be able to do what I do without Burke and Play Illinois. They’re not just a vendor — they’re a partner.”

— Wesley Peete  
Director of Parks and Facilities, Huntley Park District

“I appreciate how quickly they respond, and that they send someone out right away. That’s real service.”

— Jessica Burgdorf  
Project Manager, Naperville Park District

“Every touch I have with Play Illinois is just great. They’re responsive, creative, timely, and they stand behind their product. I don’t see any weakness anywhere they need to improve.”

— Joe Brusseau  
Landscape Architect,  
RVi Planning + Landscape Architecture
